II. MODIFICATION

South Bend Products LLC requested an increased flow limit to allow the company to increase production. The Department of Ecology agrees to allow the increase in flow limit from 25,000 gallons per day to 49,999 gallons per day. South Bend Products LLC must meet all existing permit effluent limits, including monthly production-based limits as well as the fixed seasonal equivalent oxygen demand (EOD) limits.

This Statement of Basis will serve as an amendment to the Fact Sheet and Permit.
